School Newsletter

Dear Parents and Carers,

Our pupil leadership teams are already having an impact on school life; our Literacy Ambassadors would like to celebrate National Poetry Day on Thursday 5th October. Each class has been provided with a poem linked to the theme Refuge, which they will be sharing and discussing during the day.

Our Happiness Heroes want to celebrate and raise awareness of World Mental Health Day (the actual day is Tuesday 10th October) on Friday 13th October and have asked all children to come to school wearing something blue and green. They have organised for the charity 52 Lives to come into school to carry out workshops on Kindness.

Our Ethos group will be leading sections of the Harvest Family service on Sunday 15th October at St. Paul's church and have invited all children and their families to attend church on that day. If your child does want to come to the service, they can wear their uniform and are welcome to sit with the Ethos group. A reminder that we will be collecting Harvest donations of tinned and dried food on Friday 13th October. Any donations you can give will be much appreciated.

We are always here to offer support and guidance to our families. Please do not hesitate to get in touch via phone 01257 480276 or email bursar@adlingtonstpauls.lancs.sch.uk if you need any advice or support.

Thank you as always, for your continued support and understanding.

Pearl of Africa Children's Choir

A huge thank you for your kind donations for the Pearl of Africa charity. We raised over £170 on our non-uniform day.

We look forward to welcoming the choir to our school for a spectacular concert on 11th October. A reminder that on this day, children can bring in £1 or £2 on the day to buy a piece of traditional African craft such as a bracelet or wristband. All your donations will be passed on to the charity to help support the education, health and welfare of the children in their care.

Lancashire Libraries have launched a Reading for Health scheme.

[Reading for health - Lancashire County Council](#)

These books are accessible from all Lancashire Libraries. Reading or listening to books on a regular basis helps people to lead happier and healthier lives, where they feel more positive and satisfied.

Our "Reading for Health" offer includes book schemes which provide helpful information and self-help techniques for managing common conditions, including anxiety and depression. These books have been recommended and are used by health professionals in the treatment of health and wellbeing conditions.

There is a list of books for children that help them cope and understand their worries and feelings or things they may be going through.

prism.librarymanagementcloud.co.uk/lancashire/lists/5b9c9a1d-397a-4c6f-bcb7-2828f8e389d1

We are pleased to say that several of these books we already have in school for our children to access and we hope to increase this offer available.
