School Newsletter

Dear Parents and Carers,

It has been lovely to welcome you all back to St. Paul's and to meet our new children and their families. We have had a fantastic start to the new academic year and are extremely proud of the positive start our children have made.

A huge thank you for your support to the new school year with regards to your child's attendance. Our whole school attendance this week was 98%, which is incredible. Let's hope we can keep this up.

If your child has been in school every day last week, they are now on 100% attendance. Every day counts and if you are experiencing any difficulties with your child's attendance, remember we are always here to help and support.

Our Twitter page (X) @StAdlington has lots of pictures showcasing what has been going on in school this week and we have also relaunched our Facebook page Adlington St Paul's CE Primary School. Please do follow us and take a look at the amazing learning and opportunities our children have at St. Paul's.

We have launched our new Christian Values: Community, Hope, Compassion, Forgiveness, Perseverance and Respect. If you know of any local artists that would like to work with our children and staff to create some artwork for our new values, please contact the school office.

As always, if you require any support or guidance, or would like to let us know about any changes in circumstances over the holidays, please do not hesitate to get in touch via phone 01257 480276 or email bursar@adlingtonstpauls.lancs.sch.uk

Thank you as always, for your continued support and understanding.

Mrs J Burger

Headteacher

School Meals

A reminder that the cost of school meals is £2.40 per meal. Children will order meals each morning in class and they are prepared onsite in our school kitchen. Menus are available if you wish to see the selections of meals on offer.

We politely request that all school meal debt from last academic year is paid. If you have any questions about this, please contact the school office for support.

We would encourage all families to apply to see if they are eligible for Free School Meals. If you have more than one child in your family, you must do this for each child. As well as funding your child's school meals, there are other benefits to your child's education that they can receive if you apply and are eligible for this grant.
