School Newsletter

Dear Parents and Carers,

Happy Mother's Day to all our amazing mum's and those who take on the role of mum for our children. You do an incredible job and we hope you loved your cards.

A huge thanks to our school community who came and took part and cheered on our cross country runners at Astley Park on Saturday. The children were a credit to their families and school and made us very proud. A special well done to Esme who came second in the Year3/4 girls race. Thanks to the staff who gave up their time to enable this event to happen.

Our year 3 children made us incredibly proud on Wednesday when they took part in their Trust experience to Liverpool. Great behaviours and attitudes and a fun day out exploring Liverpool and enjoying a ferry ride on the River Mersey.

Last week, our attendance dropped significantly in comparison to the rest of the half term. We hope that for these last 2 weeks, we can see that rise back up to 97% across school.

As always, if you have any questions or require any support or guidance, please do not hesitate to get in touch. We are always here to help.

Thank you for your continued support,

Mrs Burger

Attendance

Reception	89%
Year 1	91%
Year 2	91%
Year 3	94%
Year 4	94%
Year 5	84%
Year 6	93%
Whole School	91%

	Term Ends	Friday 17th July 2026

ECO News

COMPETITION TIME!! Eco Community leaders are asking you to create a poster to remind us to turn off the lights when we leave a room. The posters will be used around school to ensure lights are turned off when we are not in rooms, this will help to reduce the amount of electricity we use each day, helping us to reduce our carbon footprint. There will be a KS1 and KS2 winner and runner up, posters can be made electronically or by hand.

The closing date for this is Wednesday 23rd April. You can hand these into your class teacher and they will be passed on to Mrs Sanderson.

Reminders for our school community

We are looking for donations of indoor plant for our school, please drop them off at the school office. Your donations would be much appreciated to enhance our learning environments in school.

Please also remember that we are able to recycle your batteries. If you have any used batteries that you need to dispose of, we have a box situated in the main office. You can drop your used batteries at the office with Miss Harrison.

Any other contributions for our outdoor learning spaces are most welcome, no matter how small. We love being outside and enjoy engaging with our environment.

Thank you for supporting us in our quest to improve our school and environment.

Mrs Sanderson and Community Leaders
